CEFFIT AZ LB
Cefixime 200mg + Azithromycin 250mg Tablets

AZITHROMYcin
Superior activity against Gram+ve organisms and a typical pathogens. More effective in terms of lower incidence of treatment failure and adverse event than Amoxycillin and Amoxyclav. Offers greatest advantages of high tissue distribution, metabolic stability and high tolerability.

CIFIXIME
Highly active against major respiratory & skin pathogens inhibits the growth of bacteria inside cells Excellent in vitro activity against B-lactamase positive & negative isolates.

Indications:

- ENT Infections
- Skin & Soft Tissue Infections
- Urogenital Infections
- Gynecological Infections
- Typhoid & Paratyphoid Fever

CEFFIT 20
Cefixime 200mg Tablets

The perfect macrolide combination with cephalosporin

In Surgical Prophylaxis & Post-Operative Infections

CEFFIT 2GM
Ceftriaxone 2000mg Injection

- Prolonged concentrations in the tissues beyond 24 hours Broad spectrum coverage.
- Antibacterial activity starts immediately even after an intramuscular dose.
- 100% success rate in bacterial meningitis, Safe for paediatric patients

Indications:

- Urinary Tract Infections
- Deep Tissue Infections
- Respiratory Tract Infections
- Skin & Soft Tissue Infections
- Sexually Transmitted Disease
- Bacterial meningitis

Also Available

CEFFIT-T
Injection
Ceftriaxone 1000mg + Tazobactam 125mg

CEFFIT-T-KID
Injection
Ceftriaxone 250mg + Tazobactam 31.25mg

Offers Better Coverage with Total Confidence

Firm Grip to Overcome Infections...

CEFFIT SB 1.5 GM
Ceftriaxone 1000mg + Sabactam 500mg

CERTIFIQUE

- Long duration of action.
- Prevention of post traumatic meningitis.
- In Pediatric meningitis, Typhoid Fever, Pneumonia, guarantees faster clinical results.

SABACTAM

- Effective beta lactamase inhibitor both class A & class C beta lactamase.

Indications:

- Septicemia
- Urinary
- Surgical Prophylaxis
- Bone Infections
- Joint Infections

CEFFIT SB 75
Injection

CEFFIT SB 37
Injection

For Quick Bone Healing...

CISQUALIN WS
Cissus Quadrangularis Leaf Extract 750mg + Withania Somnifera 100mg Tablet

Cissus Quadrangularis - The Natural Bone Builder

- Effectively inhibits bone loss
- Accelerates fracture healing
- Helps strengthen the integrity of bones
- Withania Somnifera - Promotes Bone Healing
- Increases the proliferation of osteoblasts and speeds up the healing process

Heals Bones
Relieves Pain
Improves Mobility
Safe for long term therapy

CONTROL PAIN & INFLAMMATION INCREASE MOBILITY

GAIN Top Notch Level of Health

CURIMED
Curcumin Longan Extract 200 mg + Piperine 50 mg + Vitamin C 125 mg Tablets

JAMU - INDONESIAN TONIC

- Traditional medicine from Indonesia containing various herbs which help release pain and reduce inflammation.
- ANTI LIVER PASTORE
- Turnered Sulfate, the function of the liver, helping to breakdown toxins found in the blood.
- STRENGTHEN THE HEART
- Turnered Sulfate is an active ingredient Curcumin, can help strengthen the heart and improves blood circulation.

AN TSOO CHI HT

- Anti-oxidant, fight free radicals and free radicals from the body.
